

ANIMAL SCIENCE AND AQUACULTURE – GOOD PRACTICES

IIIrd INTERNATIONAL SCIENTIFIC CONFERENCE FOR STUDENTS AND PhD STUDENTS

The Institute of Animal Sciences, the Polish Society of Animal Production and and Animal Sciences Students Scientific Association invite students to attend:

*IIIrd International Scientific Conference
for Students and PhD Students
„Animal Science and Aquaculture – Good Practices”*

that will be held on the **23rd of April 2024** with the aim to establish a platform for the exchange of knowledge and experience gained by the students of majors related to animal science and aquaculture.

The conference is organised in an online format via the MS Teams platform.

The conference is thematic in nature and, for organizational reasons, all Participants will be asked during registration to choose one of the sessions they would like to qualify their work to:

- 1) Quality and safety of animal products;
- 2) Welfare and health status of animals;
- 3) Animal nutrition and metabolism;
- 4) Wild and domestic animals

As part of the Conference, the works are planned to be presented in the electronic form.

Participants who will attend the Conference will be required to submit abstracts in English beforehand. The abstracts will be published by the 1st of May 2024 in the form of the electronic Book of Abstracts. The conference will be held from 09:00 to 17:00.

Obligatory terms:

1. Registration by the 10th of April 2023
2. Abstract submission by the 15th of April 2023

Submission of the registration form is tantamount to expressing the will to participate in the Conference and accepting the Conference Regulations. Only active participation in the Conference is possible.
